And go armed. These cops won't respect anything but force. Sorry it has to be that way. but when they try and steal elections they have decided they are against America. Is what it is, but your gonna have to force your way in.

No.

Go armed, but just form ranks with rifles slung ovet your shoulders. Make no aggressive move.

We need a *show* of force here. Not actual force.

We've already won if this is what they're trying.

THE TIME FOR ASKING IS OVER!

Pedes, Can you get some truckers to bring trailers in and blockade the capital once you drive the police away? Use the courthouse protection strategy, block streets if needed. Use trucks, Proud Boys, Armed citizens.

Take your capital building back!

God be with those Pedes if they go armed. Let this be resolved peacefully and favorably to us. I'd rather not see another shot heard 'round the world.

F12 and ACAB isn't looking so bad right now... maybe they were right 🤔

(No, I'd never subscribe to that ideology, but this is opening my eyes that not all cops can be trusted if they won't uphold the constitution!)

I think the best option is to let individual officers/departments earn our respect and trust.

Don't give away respect and trust to anyone, LEO or not.
